Organisation Structure

ELECTROMECH prides it self on its 'family' culture and we seek out and attract high-calibre people.

HSE POLICY

HSE Policy

Our HSE Policy is project oriented. We strive to achieve and meet HSE requirements of our clients in both Public as well as Private sectors during project implementation.

In recognition of our safe construction practices, and Zero of Lost Time Accident Free (LTA free) Site Management during past 30 years, we enjoy a preferential treatment from our clients through repeat orders.

We are conscious of our responsibility towards mother earth and environment. We work in an e-environment while encouraging our employees and other associates to minimize use of paper and optimize carbon emission through sensible use of fuel and power in our operations.

We strictly adhere to HSE compliance enforced by Statutory Authorities under Central as well as State Governments from time to time.
